

AHIF 2020 Board of Directors

In such a challenging year, it was more important than ever to have a supportive Board of Directors, committed to ensuring that AHIF's programs and services were minimally affected by COVID-19. AHIF thanks each Board member for their service in FY'20.

“Changing changed lives is a beautiful and powerful thing. Seeing the smiles of people who have every reason not to smile should make us all smile.” - John Gordon

“At a time of social isolation and uncertainty, AHIF continued to provide vital support services and increased the number of clients served with minimal disruption. It is truly an honor to serve an organization committed to supporting head injury survivors and their caregivers.” - Devan Byrd

“I am thankful to serve with a team committed to staying on mission-to improve the quality of life for TBI survivors and their families. We have seen AHIF's staff creativity and talents flourish in 2020 as they have taken the pandemic in stride and moved forward with innovative ideas, fun and engaging video conference events, support groups and plans for 2021.” - Kim Vice
